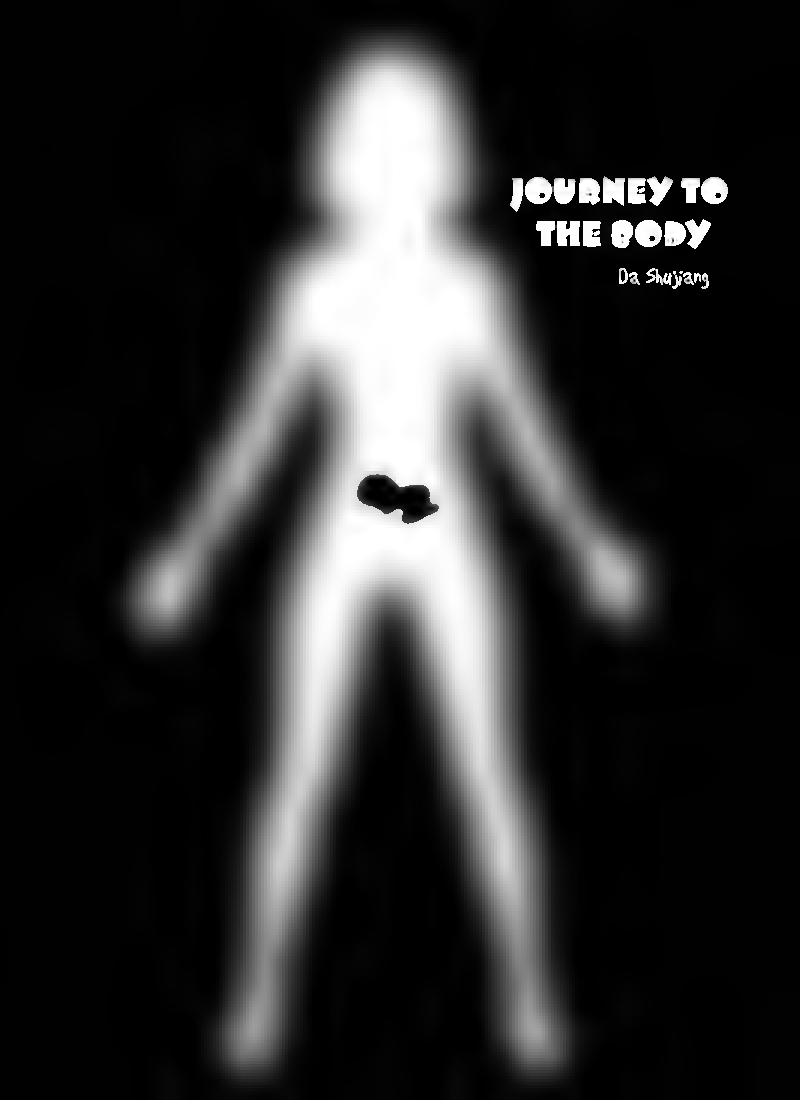
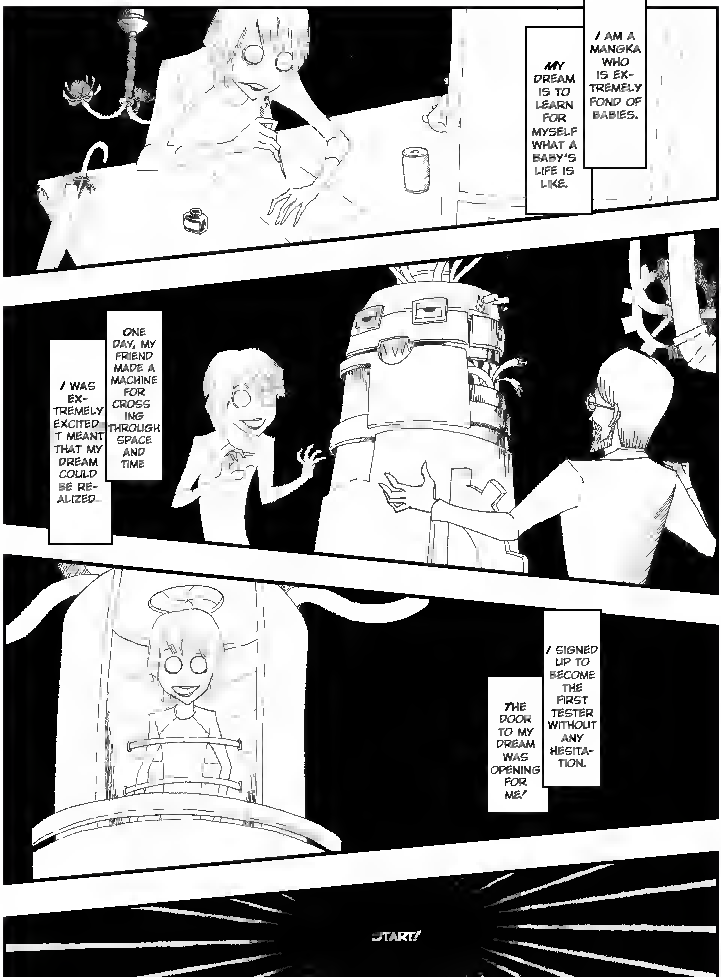
Public Service Announcement

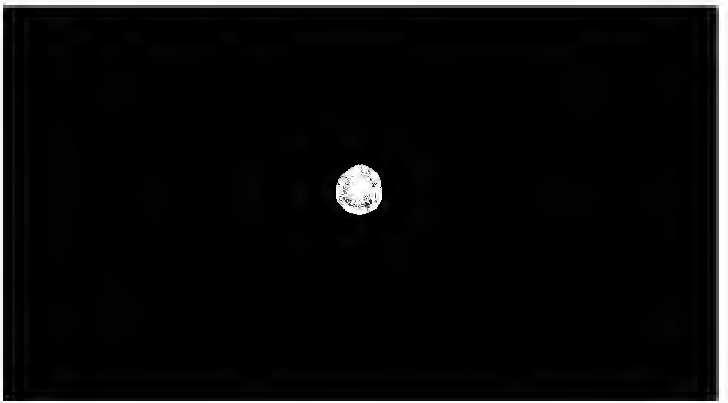
This chapter contains animated images. If you don't see anything move, you are using the wrong viewer. You can try displaying this chapter in a browser if you don't know which image viewer can show animations. If you are reading online and nothing is animated, explain to whoever runs this site that if they're too retarded to even steal other people's work competently, they should get out of this crappy business.



JOURNEY TO
THE BODY
Da Shujang

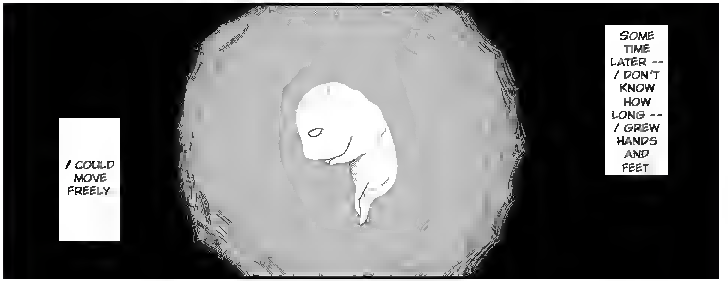


I AM A MANGKA WHO IS EXTREMELY FOND OF BABIES.
MY DREAM IS TO LEARN FOR MYSELF WHAT A BABY'S LIFE IS LIKE.
ONE DAY, MY FRIEND MADE A MACHINE FOR CROSSING THROUGH SPACE AND TIME
I WAS EXTREMELY EXCITED. I MEANT THAT MY DREAM COULD BE REALIZED.
I SIGNED UP TO BECOME THE FIRST TESTER WITHOUT ANY HESITATION.
THE DOOR TO MY DREAM WAS OPENING FOR ME!
START!

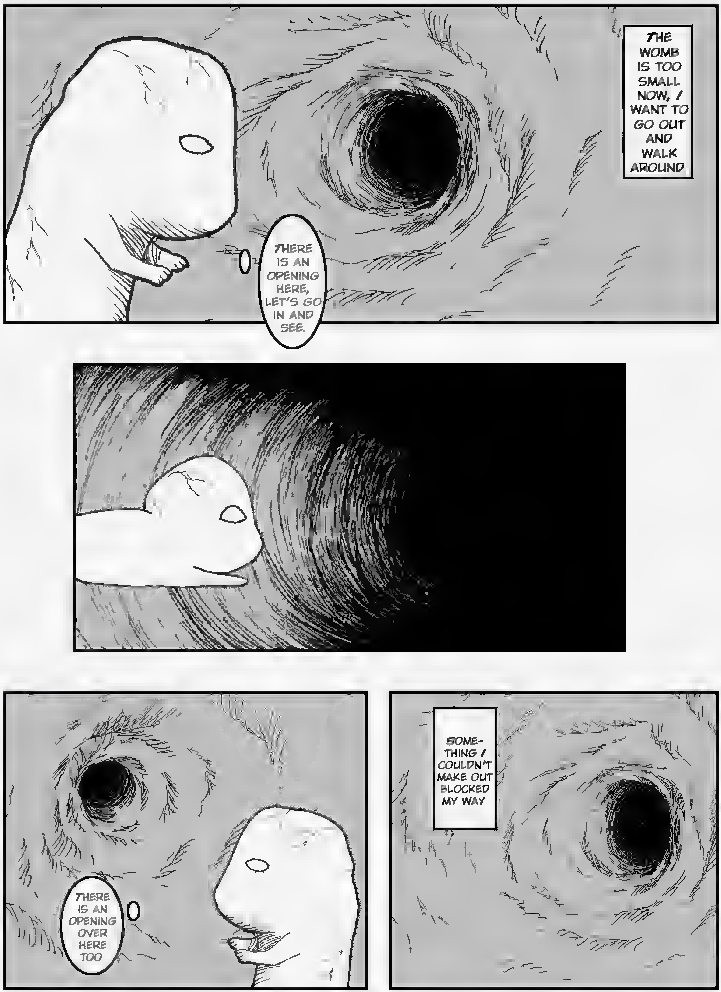


I'LL JUST HAVE TO WAIT PATIENTLY
BUT THE CROSSING WAS A SUCCESS

SO I AM ACTUALLY STARTING AS A FERTILIZED EGG

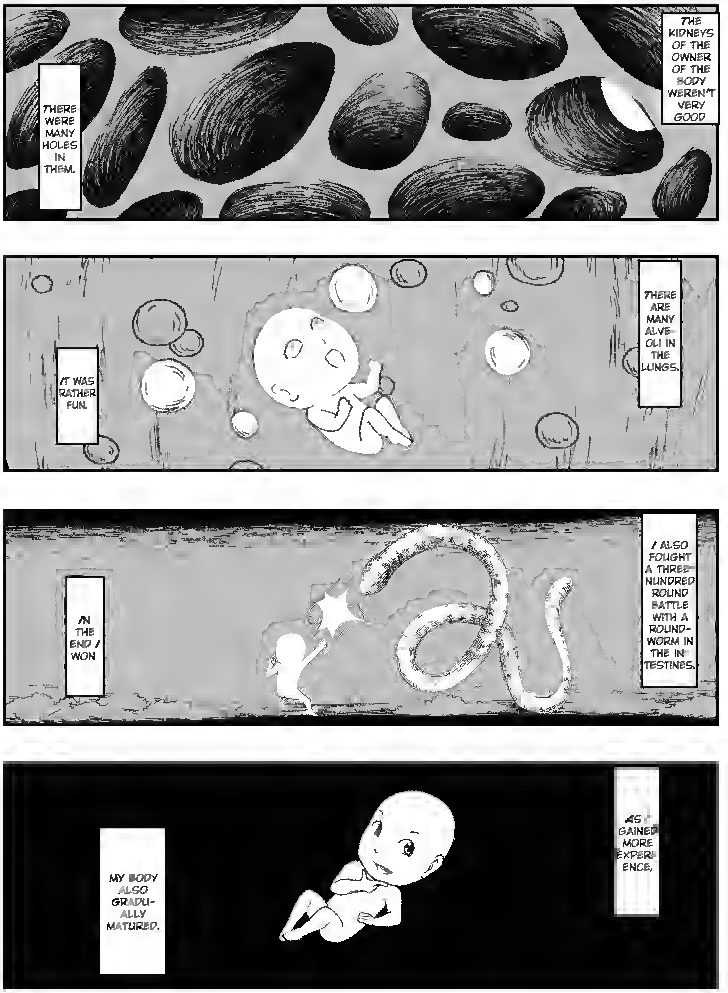


I COULD MOVE FREELY
SOME TIME LATER -- I DON'T KNOW HOW LONG -- I GREW HANDS AND FEET

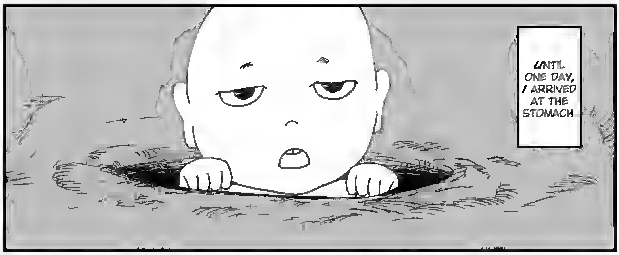


THE WOMB IS TOO SMALL NOW, I WANT TO GO OUT AND WALK AROUND
THERE IS AN OPENING HERE, LET'S GO IN AND SEE.
THERE IS AN OPENING OVER HERE TOO
SOME-THING I COULDN'T MAKE OUT BLOCKED MY WAY

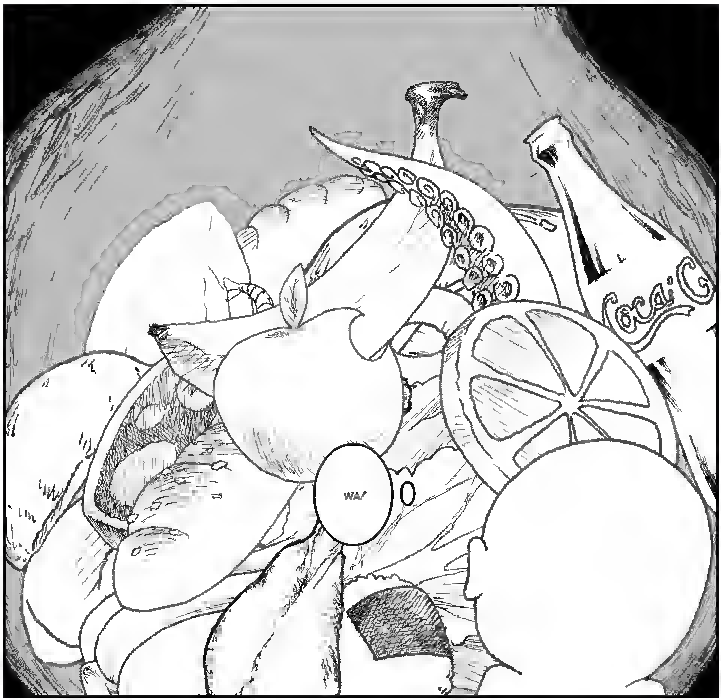
NOW I AM COVERED IN URINE.
THIS IS THE BLADDER.
THUS, I BEGAN MY TRAVELS THROUGH THE BODY.



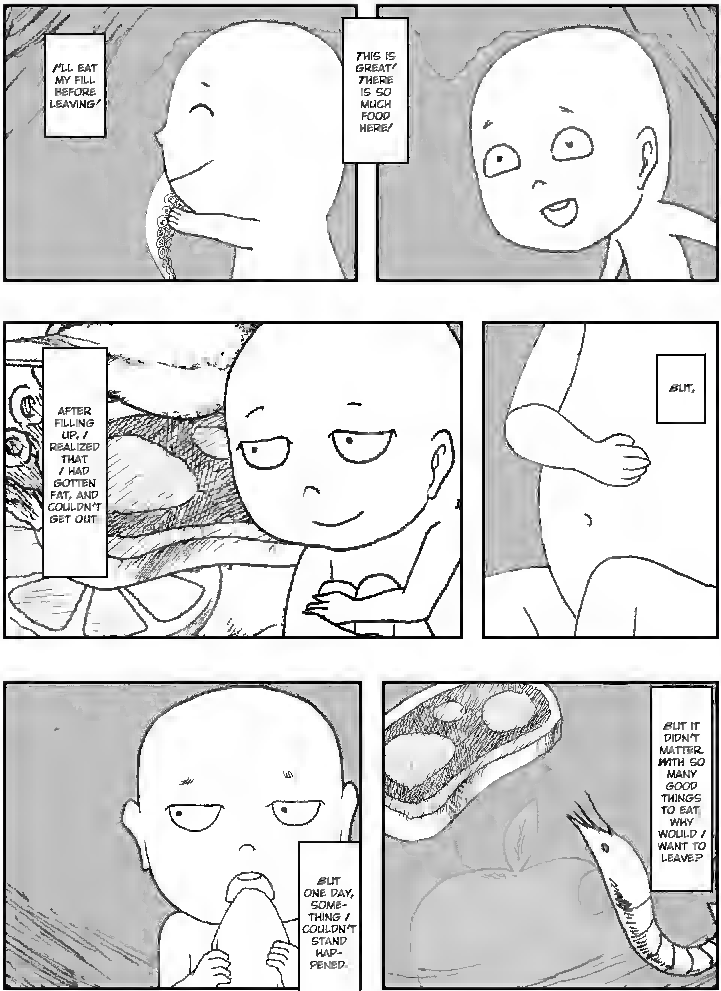
THE KIDNEYS OF THE OWNER OF THE BODY WEREN'T VERY GOOD
THERE WERE MANY HOLES IN THEM.
THERE ARE MANY ALVEOLI IN THE LUNGS.
IT WAS RATHER FUN.
I ALSO FOUGHT A THREE-HUNDRED ROUND BATTLE WITH A ROUNDWORM IN THE INTESTINES.
AN THE END I WON
AS I GAINED MORE EXPERIENCE,
MY BODY ALSO GRADUALLY MATURED.



UNTIL ONE DAY, I ARRIVED AT THE STOMACH

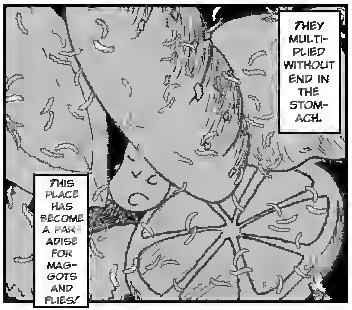


WA!

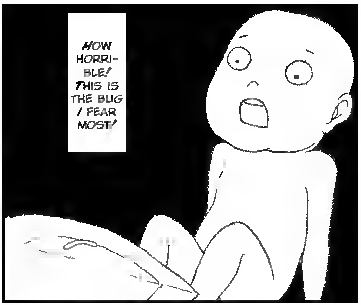


I'LL EAT MY FILL BEFORE LEAVING!
THIS IS GREAT! THERE IS SO MUCH FOOD HERE!
AFTER FILLING UP, I REALIZED THAT I HAD GOTTEN FAT, AND COULDN'T GET OUT.
BUT,
BUT ONE DAY, SOMETHING I COULDN'T STAND HAPPENED.
BUT IT DIDN'T MATTER. WITH SO MANY GOOD THINGS TO EAT, WHY WOULD I WANT TO LEAVE?

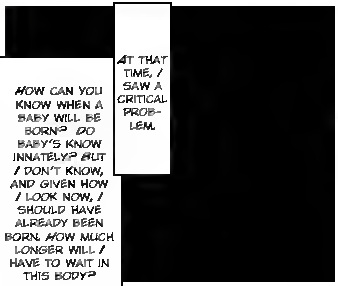
THE OWNER OF THE BODY MUST HAVE GONE TO AN UNCLEAN RESTAURANT!
SHE HAD ACTUALLY CARELESSLY SWALLOWED LIVING MAGGOTS



THEY MULTIPLIED WITHOUT END IN THE STOMACH.
THIS PLACE HAS BECOME A PARADISE FOR MAGGOTS AND FLIES!

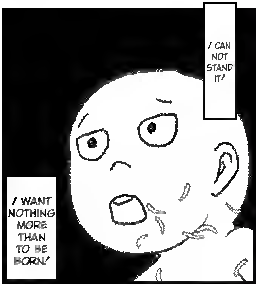


HOW HORRIBLE! THIS IS THE BUG I FEAR MOST!

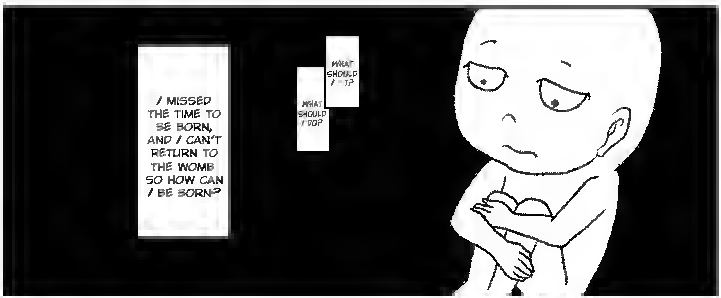


AT THAT TIME, I SAW A CRITICAL PROBLEM.
HOW CAN YOU KNOW WHEN A BABY WILL BE BORN? DO BABY'S KNOW INNATELY? BUT I DON'T KNOW, AND GIVEN HOW I LOOK NOW, I SHOULD HAVE ALREADY BEEN BORN. HOW MUCH LONGER WILL I HAVE TO WAIT IN THIS BODY?

EH!



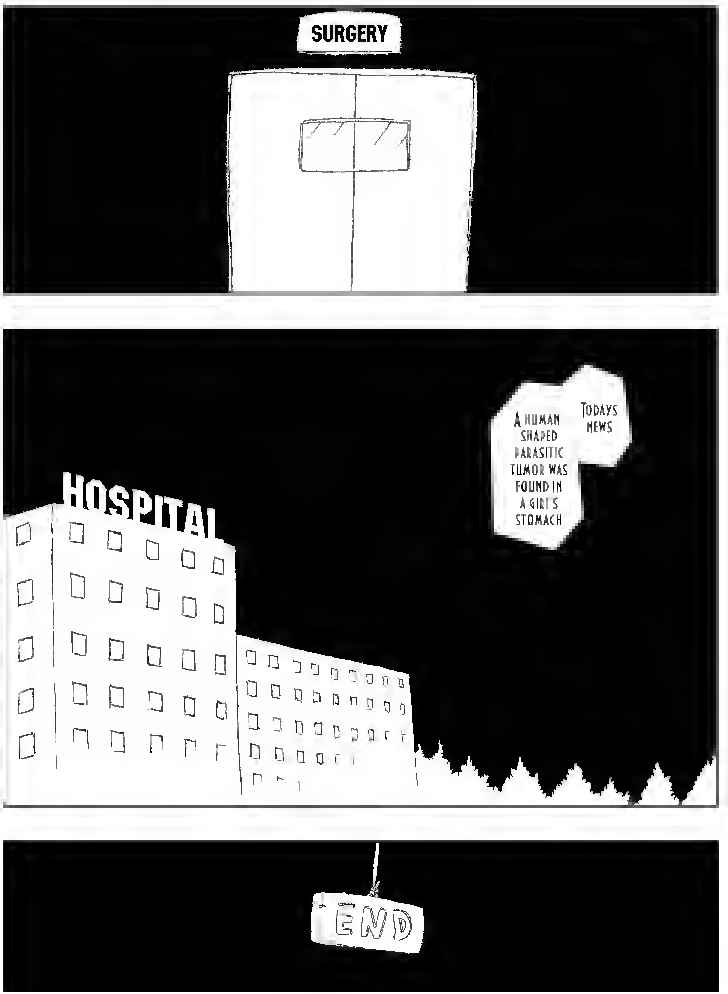
I CAN NOT STAND IT!
I WANT NOTHING MORE THAN TO BE BORN!



I MISSED THE TIME TO BE BORN, AND I CAN'T RETURN TO THE WOMB SO HOW CAN I BE BORN?
WHAT SHOULD I DO?
WHAT SHOULD I...?

HOW CAN THIS BE?
AH!
EH?
A KNIFE?

IT SHOULD NOT BE
LIKE THIS
EH?



SURGERY
HOSPITAL
TODAYS NEWS
A HUMAN SHAPED PARASITIC TUMOR WAS FOUND IN A GIRL'S STOMACH
END

I tried three GIFs this time.
Unfortunately I found that the files were too bi
So I simplified and compressed them, and the
action in the originals was almost lost
I'm not playing around with GIFs again!
Also, "Swiss Brain" still has one more chapter
to be finished But, it's rather long, so everyone
will just have to wait
